SEND provision for Children and Young People at Drew Primary School January 2017

Introduction

As part of the Children and Families Act 2013, Local Authorities are required to publish a '**Local Offer**' which sets out support that is available for children and young people with SEN in the local area.

Newham's Local Offer is available <http://www.newham.gov.uk/special-education-needs> and tells parents how to access services in their area and what to expect from these services.

Alongside this, schools are required to publish information about their arrangements for identifying, assessing and making provision for pupils with SEN.

This is the Local offer for Drew Primary School. It describes the arrangements we make that are 'additional and 'different 'for pupils with SEN. This information has been produced together with parents, carers and our children and young people and will be reviewed annually

The following information outlines the support and provision pupils with SEN can expect at Drew Primary school.

At Drew Primary School our motto is:

"Learning today for tomorrow's world."

Our core values are: Show Respect

Take responsibility

Always make the right choice

Learning with others

The diagram on the next page illustrates the schools graduated response to children's needs. It shows the standard offer of teaching, learning and care for ALL pupils, the additional provision which may be needed by some pupils and the specialist provision available to the few children with significant or complex needs.
