

Friends of Drew

Working together for the children of Drew Road School

October 2016

Firstly, we would like to welcome back all children and parents to Drew for the new school year. We hope they all enjoyed their summer and have settled back into the next year up with their new teachers.

We are aware that Christmas is a while away, but before we know it, Christmas will be upon us. We have been discussing what we could do to celebrate with the school this year and have been in conversation with staff at Drew. We have some exciting ideas and would like parents to come in for a coffee morning on Thursday 13th October 2016 to discuss them, listen to new suggestions and see how we, as members of Friends of Drew, can support the event.

Our AGM is fast approaching, so please look out for forthcoming dates. If anyone would like to put themselves forward to be part of the committee to help with the continuing success of Friends of Drew or would like more information please email Friendsofdrew@outlook.com. We look forward to your continued support and involvement.

Coffee Morning:

Thursday 13th October 2016 at 9:00am
