Welcome back!

Well back to a brand new year at Drew School!

We are so excited to see all of the enthusiastic children who arrive at school, ready to learn, every day. We would like to use this opportunity to thank you for your continued support in encouraging your children to walk to their classroom independently every morning. Starting the day like this encourages your children's independence and prepares them for the rest of their life at Drew School.

Some reminders...

Labelling clothes:

Please ensure that your child's uniform and PE kit have been labelled; this helps us support your child in their independence. During PE the children will be changing themselves and it is easy for clothes to get mixed up. PE will be indoors so your children will need a white t-shirt, blue jogging bottoms/shorts and black trainers or plimsolls.

School Uniform:

Thank you for ensuring that your child comes to school in the correct uniform every day. Our school uniform consists of a white shirt and blue jumper with grey trousers or skirt/dress and plain black shoes/trainers. Unless worn for religious reasons, jewellery is not permitted in school due to health and safety reasons. Thank you for your cooperation.

Shake and Bake:

Thank you so much for your continued donation of 50p a week from each parent. Your donations are so valuable as they are used to provide additional resources for cooking, making play dough, and many other items that makes learning fun.

Our Topic

Our topic this term is Around The World. We will be using this time to learn about countries, cultures and communities. We will be exploring maps of the world, speaking different languages and trying a range of tasty food.

Our Focuses

During our English lessons we will be focusing on speaking in full sentences and writing sounds correctly and in the right order.

During our Maths lessons we will be focusing on addition, subtraction, money and weight.

PLEASE SPEAK TO YOUR CHILDS TEACHER IF YOU WOULD LIKE SUPPORT WITH ACCESSING THESE TOPICS WITH YOUR CHILD AT HOME.

Homework

Every half term you will be given a project which you and your child can work together on. It will be fun, engaging and most importantly something for you to do together.

Class Teddy Bear

Our Class Teddy Bear will be going out weekly to different students. You will have the opportunity to play, sing, take it out and have fun with. Make sure you write your experiences and take lots of photos to share with your friends and teachers.
